Re: **Civil Action No. 07-cv-7521; Institute of Electrical and Electronics
Engineers, Inc. v. Taylor & Francis Group, LLC, et al.**

Dear Judge Baer:

This firm is local counsel to the Defendants in the referenced action. Defendants first received a copy of the summons and complaint in this matter on August 27, 2007. By Stipulation so ordered by the Court on September 17, 2007, the time for Defendants to answer, move or otherwise plead with respect to the summons and complaint was adjourned to October 1, 2007.

The parties are presently engaged actively in discussions aimed at determining if there is a basis to resolve the dispute between them outside of litigation. To facilitate these discussions, the parties have agreed to a further, very brief adjournment of the time to answer, move or otherwise plead to October 5, 2007.

It is alleged in the complaint that Defendants infringed Plaintiff's copyright in two books by distribution of related works. Plaintiff's counsel has stipulated to the requested adjournment to October 5 provided that one edition of the books at issue is not shipped by Defendants during the period of the extension. Defendants have stipulated that the edition will not be shipped in the period of the extension.

I have enclosed a proposed Stipulation reflecting this arrangement, executed by counsel for Plaintiff's and by me. The parties respectfully request that the Court so-order the Stipulation.

A copy of this letter and its enclosure are being simultaneously telecopied to Plaintiff's counsel.

Respectfully submitted,

Joseph W. Muccia
